

# Christmas and Advent Events

The calendar below lists worship moments and advent events of how Valley is going to celebrate the birth of Jesus. Now the name Jesus is a name we all know. However, He has another name that was given to Him. The other name was Immanuel. This name of Immanuel is important in the sense it reminds us that God's love is very personal. It reminds us that we are somebody special, somebody important, that we matter.

So all the Christmas and Advent events below remind us of Immanuel - "God be with us". He is deeply interested in us and we matter to Him. He loves us and is always with us.
