The theme for the 2019 Week of Compassion Special Offering which will be collected on 2/17 and 2/24 is "More Than We Can Imagine!" based on Ephesians 3:20, reminding us that we are not alone in our imagining a better world for all God's children. Historically, this has been the largest Special Offering collected by Valley each year with \$1,542 donated in 2018. Please prayerfully consider giving generously in 2019 to help communities rebuild following natural and manmade disasters, to teach and show the Christian faith, and to improve sanitation and plant crops.

The Education Department will be conducting a survey in a few weeks concerning topics you would like to see presented in a special study this summer.

Please think about topics in which you are interested, including current problems, a book from the Bible for study, or some other book for discussion.

We hope you will give us your ideas about this special study and then participate in the class.

Thank you for your help.
