## A Word from Your Pastor

One summer I was hiking on the Appalachian Trail along a beautiful high ridge in the Blue Ridge Mountains. I was enjoying the hike in the wilderness until I came to a clearing, where to my surprise there was a garbage dump. Like most garbage landfills it was filled with old cans, bottles, mattresses, furniture, tires and all the unpleasant things that people throw away. As I stood in the middle of the dump, I lifted up my eyes from the dump and looked at the view in the valley below. The view was amazing and the scenery from the garbage dump was one of the best views along the trail.

Many years ago our Lord was walking up a trail carrying a heavy wooden cross. He came to a place called Golgotha that some traditions say was the city of Jerusalem's garbage dump. A dump that contained broken pottery, animal bones, and other disposed items of the first century. In the soil of the dump the soldiers began to dig the hole for the cross. His young body was nailed to the cross beams as they lay on the ground. Then the soldiers raised the cross upright and it was placed in the hole that was dug for it. The terrible pain of the crucifixion for our Lord began in a garbage dump.

Yet, the view from the dump of Calvary was amazing. For it was from the summit of the place that God shared with us the magnificent view of His Love. The darkness of sin was destroyed so that God and human beings could walk hand in hand. A bridge in the shape of a cross was built over the dump of our disobedience. God walked across it and met us with the gift of forgiveness. We are no longer separated, for the relationship has been repaired through the death of the Lord Jesus Christ, "Who takes away the sin of the world." (John 1:29)

What a view this is from Calvary. Standing on this mountain, the view into the future is magnificent. We see the promised land of eternal life! We know that "In all these things we are more than conquerors through Him who loved us. For I am sure that neither death, nor things to come, nor powers, no height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord." (Romans 8:37-39)

Lent begins Wednesday, February 22. A holy season when we will be climbing Mount Calvary and remembering the suffering of our Lord. On that summit we will look out at a beautiful view of God's love for us in Jesus Christ. From the summit of Calvary during Lent we will remember the amazing grace that comes to us from a garbage dump. God Bless You, Edd

## Ash Wednesday - The Beginning of Lent

The season of Lent begins on Ash Wednesday. The name of Ash Wednesday is the result of a tradition in which the Pastor burns the palm leaves which have remained from the previous year's Palm Sunday and, after blessing the ashes, uses them to mark a cross on the foreheads of the worshippers. As the Pastor makes the mark he shares the words, "Remember, that you are dust, and to dust you shall return." (Genesis 3:19)

The mark is worn on the worshipper's forehead throughout the day as a symbol of their sorrow for their sins. From biblical times the art of sprinkling oneself with ashes has been a repentance for sin. When Job came to appreciate the holiness of God and his own state of sinfulness, he said, "My ears had heard of you but now my eyes have seen you. Therefore, I despise myself and repent in dust and ashes." (Job 42:5)

Therefore, the first day of Lent and the next forty days of lent until Easter, Christians demonstrate their humility before God.

## A Prayer for Lent

O God, as we begin our journey through Lent this month, be by our side. Constantly encourage us to find strength to live our lives for you. Fill us with determination to grow toward maturity of mind and spirit. Fill us with desire to become the people you want us to be. Fill us with your grace and mercy. Help us remember that these are the words that give us life and new life. Amen.
